OLUOCH FREDRICK ODUMBE

Phone: +254 707 850 704 | Email: fredrickodumbe78@gmail.com | Location: Nairobi, Kenya

Career Objective

Motivated and enthusiastic Computer Science graduate seeking an internship opportunity in web development. Eager to apply and grow skills in front-end and back-end technologies while contributing to innovative and impactful digital solutions.

Education

Bachelor of Science in Computer Science
Kirinyaga University, Kenya | 2021 - 2025
Second Class Upper Division

Technical Skills

- Front-End: HTML, CSS, JavaScript
- Back-End: Node.js
- Database: MongoDB
- Tools: Git, GitHub, VS Code

Academic Project

Smart Web Linker - Final Year Project

A web platform designed to connect employers with house helps. Users can register, post job opportunities, and match with potential candidates based on availability and preferences.

- Built responsive front-end using HTML, CSS, and JavaScript
- Developed back-end services using Node.js
- Implemented data storage and retrieval with MongoDB
- Applied basic security and validation techniques to ensure user safety

Strengths

- Quick learner with a strong passion for web technologies
- Good problem-solving and analytical skills
- Effective team player with strong communication skills
- Dedicated to continuous learning and professional growth

Looking Forward To

An opportunity to intern in a tech-driven environment where I can:
- Deepen my knowledge in modern web development tools and frameworks
- Gain hands-on experience in real-world web projects
- Learn from experienced developers and contribute meaningfully to the team
